Well just let me know when something is public and I can help pile on by sharing, going in person, etc.

I'd recommend targeting TREX in a firm but polite way. That will allow people to be like, "Oh yeah, I agree this institution I have some respect for should definitely do the right thing, no brainer." I think that approach will make more people feel comfortable sharing it to help it go viral and ultimately put more pressure on them to kick him out. And/or to create a policy around this kind of thing if they lack one

the statute of limitations ran out because he sat on the proof

Feb 26, 2019, 2:01 PM

Tasha Kaminsky

so it's unpleasant content to say the least

Feb 26, 2019, 2:00 PM

Tasha Kaminsky

and it's two hours of a guy acting like describing being a serial rapist is the same as sharing what he ate for breakfast

Feb 26, 2019, 2:00 PM

Tasha Kaminsky

all i can do is leak it

Feb 26, 2019, 2:00 PM

Tasha Kaminsky

it's completely useless to me legally

Feb 26, 2019, 2:00 PM

Tasha Kaminsky

yes

[REDACTED]

Benjamin D. Singer

But you have it now, right?

Feb 26, 2019, 2:00 PM

Tasha Kaminsky

and i never would have known there was even a recording if someone else hadn't told me

Feb 26, 2019, 1:54 PM

the person who had that recording

Feb 26, 2019, 1:54 PM

Tasha Kaminsky

Yes. I'm...grappling with how I want to do this because the other part of this is

Feb 26, 2019, 1:54 PM

Benjamin D. Singer

I like doing that anyway

Feb 26, 2019, 1:53 PM

Benjamin D. Singer

Will do

Feb 26, 2019, 1:53 PM

Benjamin D. Singer

I'm happy to walk in and pile on how I can once there is a clear public story and pressure

Feb 26, 2019, 1:53 PM

Tasha Kaminsky

What will help is making that piece I release go viral and actively showing up at T-Rex in a suit like a fancy white man and saying I don't like this and I'd like it changed.

Feb 26, 2019, 1:53 PM

Tasha Kaminsky

and other people

Feb 26, 2019, 1:52 PM

I feel like corporations or anyone aren't responsive until the pressure is public

Feb 26, 2019, 1:52 PM

[REDACTED]

OK. Is there a public letter that women have signed onto?

Feb 26, 2019, 1:52 PM

Tasha Kaminsky

You see how this is going to end with someone getting hurt

Feb 26, 2019, 1:51 PM

So to be at T-Rex and have a platform as a successful venture capitalist who just wants to mentor the vulnerable

Feb 26, 2019, 1:51 PM

Feb 26, 2019, 1:48 PM

Tasha Kaminsky

So once I said something a lot of other people started messaging me

Feb 26, 2019, 1:48 PM

Tasha Kaminsky

And her story matched mine perfectly

Feb 26, 2019, 1:48 PM

Benjamin D. Singer

Feb 26, 2019, 1:48 PM

Tasha Kaminsky

I spoke up finally about it because someone else came forward and said that Nick had raped her

Then he started showing up when I was on dates with other men

Feb 26, 2019, 1:47 PM

Tasha Kaminsky

Then he asked my friend for my schedule

Feb 26, 2019, 1:47 PM

Tasha Kaminsky

Then he bought a house a block from my house

Feb 26, 2019, 1:47 PM

Benjamin D. Singer

Feb 26, 2019, 1:47 PM

Tasha Kaminsky

He proceeded to contact me when I asked him not to

Feb 26, 2019, 1:47 PM

Benjamin D. Singer

Also I've been to T-Rex only one time, for a Jewish entrepreneurs event on a Sunday, so not familiar with dynamics there

Feb 26, 2019, 1:47 PM

Nick/Mouna Apperson was my boyfriend in 2013-2014. I broke up with him. It was a very bad relationship.

Feb 26, 2019, 1:47 PM

Tasha Kaminsky

Yeah! So here's the deal. There's no reason why you should know about it but it's been going on for years.

Benjamin D. Singer

Again, I don't see a lot of FB posts (even Joanie's) so don't assume I know anything.

Feb 26, 2019, 1:46 PM

Benjamin D. Singer

Oh wow. OK. I still don't know the background here. Is Nick your rapist? What do you mean by hunting ground?

Feb 26, 2019, 1:46 PM

Tasha Kaminsky

hi benj, thank you for reaching out. a lot of women have gone to t-rex to point out that they don't like that it's being used as a hunting ground and that the establishment is aware of the situation and doing nothing. i think the next tangible step is cis-white men going to t-rex, asking to speak with management or simply looking nick in the eye and saying i know you are a serial rapist/abuser and i won't let people enable you anymore. nothing physical. no yelling. just using your presence and automatic grace received for being white and a cis-dude. two men have agreed to do this but i think a critical or consistent mass is imperative. a black man who has been doing his best to help with the situation pointed out he felt we had hit a wall because people aren't going to listen to black people or women on this issue.

Feb 26, 2019, 1:36 PM

Benjamin D. Singer

Hey, I'm not on FB a lot except to post work stuff, what was the comment about that you tagged me in? Your personal case?
