

Tasha Kaminsky replied to Nyetalia Monastyrski's comment.

Nyetalia, i am so sorry. the police had a candid confession from my rapist and said because i didn't put up a physical fight that they would not pursue criminal charges. stl pd is actively trying to distort rape statistics to make it look like fewer people are being raped. it's a crime against humanity.

it's wild to me who decides to die on the hill of supporting rapists.
